

Short Vita Thies Sander

Thies is a founding partner at Berlin-based venture capital firm Project A. In this role, Thies oversees Project A's investor relations and is a trusted advisor to Project A portfolio companies. This includes for example leading Project A's work with KRY, Contorion, Spryker and uberall.

Before founding Project A, Thies served as CEO for a German online comparison startup. Previous to that, he was a Principal at The Boston Consulting Group (Berlin, New York) and headed the global operations strategy team at the sporting goods company adidas.
